### in the Holiday Paradise Latsch - Martelltal

#### Spring to the bloom in the Vinschgau Valley

In spring the Holiday Paradise Latsch - Martelltal transforms into a sea of white-pink blooms. The innumerable apple trees full fill the whole valley with a gentle-sweet smell and behind the fruit-garden rise up the still snow-covered mountain summits. The warming sunbeams in this dream landscape invite to walking, cycling or Nordic Walking.

Further carriage trips, irrigation channel pathways, lock guidance and liquor costing are offered to the guests.

Look forward to a fantastic spring landscape in the heart of the national park!
